Fish Responsibly

- Respect other park users.
- Share the shoreline.
- Respect the health and safety of wildlife and their habitat.
- Cast with caution.
- Watch out for other people.
- Avoid wildlife, trees and dense vegetation.
- Carefully dispose of fishing line and hooks in a designated receptacle or garbage bin, or take them home with you.
- Catch-and-release is recommended. Be sure to safely remove the hook and line (needle-nose pliers or forceps are helpful).
- Consider using barbless hooks and artificial lures.
- Fish only during daylight hours to avoid losing your line.
