Native Plant Sale
Create a Wildflower Garden at Home
Sunday, May 6th, 11:00 am to 2:00 pm

Location: In front of the Greenhouse, south of the Grenadier Restaurant parking lot.

To ensure fairness, there will be some limits on the number of plants available per person before 1:00 pm. All plants have been grown in High Park. Planting them will help wildlife and expand their diversity.

Rare Plants of the Endangered High Park Black Oak Savannah

Learn about the park, the plants, and the people that love them.

Volunteer Stewardship book available at plant sale for $10 (special price)

Proceeds from the sale of the book and plants support native plant restoration in High Park.
