Winter 2012 Educational Sessions

Dear Volunteers,

As the cold grips us in these dark winter months, High Park Stewards offers, as in previous years, indoor educational sessions to increase our volunteer’s stewardship skills. Please join us on the 2nd and 4th Sunday of the month 10.30 am to 12.30 pm to learn more about environmental stewardship and plant identification!

Winter sessions are held at the Howard Park Tennis Club, 430 Parkside Drive, on the east side of High Park. It’s the large brown building behind the courts, please enter via the downstairs doors as the outside stairs are often slippery. You can find the 2012 schedule here. If you plan on coming, please respond to our PINGG session invitations, or send an email to stewards@highparknature.org if you would like to be added to the PINGG list. See you soon!

Heads-up: our annual, highly popular native plant sale takes this year place on Sunday 6th of May!!
February 12

Stewardship training
what to do in the field
We will discuss what proper environmental stewardship entails when you're working in the field. Our speaker Susan Aaron has extensive experience in coaching community stewardship groups across the GTA.

February 26

Volunteer Orientation Session
Patricia Landry will teach all the essential skills required to work as a volunteer for High Park Stewards such as safety and taking care of the site where you work. Attendance by our core volunteers is highly recommended!

March 11

How to Identify Plants
Through the use of plant guides, a photo presentation and outdoor walk, Richard Aaron will explain in detail how to identify some of the most common native and invasive plants in High Park throughout the seasons.

This new seasonal newsletter is separate from our PINGG session notices. Please forward this to anyone you know who may be interested. If you want to be added or removed from this list use the links below.
