High Park Stewards

Congratulations on 20 years of protecting the jewel of our city, High Park. Your dedication to protecting the natural heritage and environment of a space that people come from all over to enjoy is inspiring. Your conservation work gives the rare plants and dependent wildlife a chance to blossom and grow, like the regionally rare Black Oak Savannah. Thank you for ensuring High Park not only survives, but thrives for future generations to enjoy!

Arif Virani

Member of Parliament for Parkdale – High Park
Parliamentary Secretary to the Minister of Immigration, Refugees &
Citizenship
